Sitcomm, et AL

v.

PennyMac, et AL

An Affidavit by Counter Plaintiffs, en Banc

"The only proper Representative of a corporation or  
a partnership is a licensed Attorney..."

It appears that since Hobby Lobby, Citizen's United and Martin  
Linen Supply Co.; Hale v. Henkel; Smyth v. Ames; County of Santa  
Clara v. Southern Pacific R R; Louisville, et..AL., v. Leston;  
Marshall v. Baltimore & Ohio R & R; Bank of the US v. Deveaux;  
And 118 US 394, Corporations have Constitutional Rights the-  
same as a natural born citizen as each of the Counter Plain-  
tiffs are.

Please take Judicial notice, that the Right to  
PRACTICE LAW, is a NATURAL Right. That no State  
may license the Practice of LAW. That every Person  
whether NATURAL or fictional Have the Right to Pract-  
ice LAW, as the Practice of LAW is not a matter of State  
Grace. See: Simms v. ATTRENS; SCHWABE v. Board, et. AL.  
Where the United States Supreme Court Concluded the Abse-

ementioned.

A corporation is a 'Group of people', who Do not loose the 'Right to Counsel of Choice', simply because they form a body corporate. The Right to Counsel if Corporation is Do have Due Process, Bill of Rights is not for the Courts or the Legislature to Control, As such A Right is Secured by the "Congress shall make no Law" Clause.

The Statement " Brett Jones is not Licensed to Practice Law," is correct, However, there is no such thing as a License to Practice Law! Since this District and honorable Court Stated " a fictional legal person can only be represented by licensed counsel," This is not a Law, is not mandated By the Supreme Law of the Land, and we therefore object to the denying of the Right to Counsel of Choice. We Demand An Evidentiary hearing to Prove our Contentions!

The Above mentioned is wholly Accurate, Done under penalty, witnessed By Jehovah and "So Say we All," As such on this Jan. 31<sup>st</sup>, 2021.
